

2019 HBIA Recap

It is hard to believe that 2019 has come and gone so quickly, but it has been an incredible year at HBIA and we are very excited for 2020! Over the course of the past year there have been many changes and we would like to thank all of our members for their patience and continued support of the association as we all work together to move the association forward!

As you begin to plan your 2020 business calendar, now is the perfect time to consider the following dates to ensure you market and allow HBIA to help grow your business. The following dates are important dates to remember:

- 2020 Builder's Home Show and Lifestyle Expo, March 28-29 at Lewis and Clark Fairgrounds - Be an exhibitor at the Home Show, advertise in the publication or sponsor this successful consumer event.
- 2020 Parade of Homes, September 18-20 - Now is the time to enter a Parade home, join the Parade of Homes Steering Committee, and plan your advertising budget to include an ad in our publication.

Visit the HBIA website for the full 2020 calendar for all member events including the bowling tournament, trap shoot, golf tournament and Christmas party.

In addition to our consumer events, we are still actively seeking members for the NEW HBIA Spotlight available for all of our members. This is FREE to our members! If you are interested in being featured for the Member Spotlight or the Project Spotlight please email [HBIA](#). We will select new spotlights once a week depending on interest. This is a fantastic way to promote your business, show off current projects and builds, give staff kudos, or promote an event on your behalf. Let us work for you!
