

## Summer News

Summer seems like it came late, but the heat has us all knowing it is finally here! Add a mask in the summer and we all feel the heat! While COVID-19 still has us all wondering what our future holds, students are wondering if they will see a classroom and our daily routine includes reading the latest COVID cases, it is important to remember that we are all in this together and we will get through it, together! HBIA remains dedicated to each of our members and will continue to support the building industry!

## 2020 Helena Parade of Homes

The Parade of Homes is on track for September 25-27, 2020! In order to adhere to the Lewis and Clark Public Health Order, we have had to make the decision to forgo Parade of Homes VIP Night and cancel the Lifestyle Expo that was to be held at the Lewis and Clark Fairgrounds as part of the Parade of Homes. While this news is overwhelmingly disappointing, one thing is not, the Parade of Homes will go on as it traditionally has. TOGETHER, we will hold an impressive Parade of Homes showcasing the association's extremely talented builders:
